To Whom It May Concern:

Volunteers with Love on a Leash take family pets to visit patients in hospitals and Hospice care facilities. Some of our pets and owners visit schools, libraries, and care facilities to help children. Some of our members even do trick performances!

Our organization, Love on a Leash, The Foundation For Pet Provided Therapy-a 501(c)(3) charitable organization – has been training pets and their owners to visit facilities since 1984. Our goal is to generate smiles and to provide comfort to those in need.

If you think this service might be of interest to you or your group please contact the person below.
