The Foundation for Pet Provided Therapy is a nonprofit, charitable organization. All officers and board members are unpaid volunteers. The Foundation for Pet Provided Therapy pays no salaries and does not rent office space. All funds are used to pay for direct operating expenses (postage, printing, member supplies, insurance and so on). In the future, the Foundation for Pet Provided Therapy would like to have enough funds to use for new therapy programs, educational programs for pet owners and for health care professionals, and to offer scholarships for young people going into canine and health care related fields.
