

Incident Report

Any member of Love on a Leash® can and should submit an incident report any time a Love on a Leash® team member (human or pet) causes injury to another human or pet while on a LOAL visit. When such an incident occurs, the facility contact person must be immediately notified and this report must be completed and emailed with all supporting documentation to president@loveonaleash.org as soon as possible.

An incident report should also be submitted if a Love on a Leash® pet is excessively reactive to either a person or animal while on a LOAL visit, or if a team is out of compliance with our Guidelines. In those instances, the facility need not be notified, but the completed report and any supporting documentation must be emailed to president@loveonaleash.org as soon as possible.

The originals should be mailed to Love on a Leash, Attn: President, PO Box 4548 Oceanside, CA 92052-4548. The visit captain and chapter leader should also receive a copy of the Incident Report and all supporting documentation. ***In the case of pet aggression or injury, the involved parties may not go on any Love on a Leash® visits until National Love on a Leash® provides written resolution.***
